### MORE ABOUT CANVAS

#### The University's New Learning Management System

#### Canvas QuickStart Sheet:

Need to find instructions about basic Canvas tasks? See CLT's Canvas – all the essentials, condensed into just two pages!

Go to [clt.odu.edu](http://clt.odu.edu)>Canvas>announcements>Canvas Quick Start Guide

#### Canvas Template:

Looking for the Default Canvas Template? You can find it in your Canvas course by going to Settings > Apply Course Template. Another option: go to Commons > Search "Old Dominion" > Default Course Template.

#### Canvas CLT Website:

This is CLT's hub for information about teaching with Canvas at ODU. Here, you'll find news, training, resources, migration information, and more. Go to [clt.odu.edu](http://clt.odu.edu) and select Canvas in the menu bar.

#### Canvas Training Portal:

The portal leads you to courses, programs, videos, and live webinars offered by Instructure, the maker of Canvas. Visit [canvas.odu.edu](http://canvas.odu.edu) and log in using your MIDAS credentials. Then go to Help > Training Services Portal.

#### Canvas Clinics:

CLT is holding clinics for faculty who have questions about how to start using Canvas or what to do next. You can register in advance, or drop in whenever you have time. Our staff will be happy to help.

#### More Training:

CLT will add Canvas workshops throughout the semester, in addition to sessions listed in the printed calendar. For updated offerings and workshop details, check the CLT Event System: Visit [clt.odu.edu](http://clt.odu.edu) and select Events and Workshops > Scheduled.

#### Troubleshooting:

If you have problems using Canvas, you can get assistance at [itshelp@odu.edu](mailto:itshelp@odu.edu) (for technological issues), at [clt@odu.edu](mailto:clt@odu.edu) (for pedagogical issues), or through the Help link at [canvas.odu.edu](http://canvas.odu.edu).
