Faculty Innovator Grant 2010
Center for Learning Technologies

Selection Criteria

- All Sections of the proposal request form are completed.
- It is possible to apply the technology requested or a modification thereof.
  Contact CLT if you need assistance identifying technology options.

Section 1: Learning Issue
- 1.1 Background is provided
- 1.2 Description of the learning/teaching issue is clear
- 1.3 Proposed solution stated briefly

Section 2: Learning Outcomes
- 2.1 Learning outcomes are well defined
- 2.2 Learning outcomes are relevant to the issue
- 2.3 Learning outcomes are measurable

Section 3: Approach
- 3.1 Approach is well defined
- 3.2 Approach is relevant to the issue
- 3.3 Approach is appropriate
- 3.4 Approach is innovative
- 3.5 Approach is practical
- 3.6 Approach is feasible

Section 4: Evaluation Plan
- 4.1 Evaluation plan is well defined
- 4.2 Evaluation plan is relevant to learning outcomes
- 4.3 Evaluation plan is feasible

Section 5: Impact of Project
- 5.1 Project is reproducible as model, template, or prototype
- 5.2 Project affects a significant number of students (based on average enrollment)

Section 6: Budget Plan
- 6.1 Budget plan is well defined
- 6.2 Budget plan is feasible

Section 7: Joint Proposal
- 7.1 Number of faculty
- 7.2 Interdisciplinary

Section 8: Technology
- 8.1 Technology notes provided

Section 9: Post Award Consultation Requirements
- 9.1 Consultation Requirements provided
